MEMORANDUM FOR: Executive Officer

SUBJECT : Comments on H. R. 9853

1. I have reviewed the proposed reply to Congressman Hebert's inquiry regarding H. R. 9853 and find it consistent with our cooperative, yet secure, role in regard to Congressional inquiries of this sort.

2. I might suggest, however, that the first paragraph on page three, which begins "It appears," should have the following substituted for those two words: "We assume." This would provide a suitable "hedge" for the Agency should content of reports ultimately become involved in the Commission's studies.
